Use of Photographs

We all know the old saying “a picture is worth a thousand words” and in support and promotion of our organization, we wish to share the many images which help to write the story.

Through our new website, we hope to open the door for each Chapter to share their local trails, Chapter events, activities, rides and projects which will give them the exceptional opportunity of promoting their Chapter in such a powerful and visual way.

Back Country Horsemen Society of BC (BCHBC) reserves the right to use any photograph/video taken at any BCHBC event, activity or ride, without the expressed permission of those included within the photograph/video.

Our primary use will be for the BCHBC website however BCHBC may use the photograph/video in publications or other media material produced, used or contracted by BCHBC including but not limited to: brochures, invitations, books, newspapers, magazines, television, websites, etc.

On the BCHBC website all photographs are “right Click” protected in that they cannot be copied or printed from the website.

To ensure the privacy of children, images will not be used without written approval from the subject’s parent or legal guardian.

We do appreciate the support of the membership with this initiative and we also will respect a member’s request to remove a photograph from the website.

Next steps:

- Review - As many have shared photos with us, we as website managers are unable to identify all individuals in the photos. Should you identify a particular photograph on the website which includes yourself or your child which you would like to have removed from the website, please take a screen shot, identify the photo to be removed and send to webmanager@bchorsemen.org requesting removal.
